Wellness  
Plans

*for Kittens  
& Adult Cats*

*Our wellness plans prioritize your pet's health* while saving you money and spreading out the cost of preventative care over 12 monthly payments. All wellness plans require one-year enrollments. All services included in wellness plans must be used within one year of enrollment. If you renew a wellness plan within 30 days of its expiration, we will waive the membership fee and your plan will be renewed at the same price as your initial enrollment. If your pet remains enrolled in a wellness plan continuously, your monthly cost will stay the same.
